Bharata GanitaParisad, Department of Mathematics and Astronomy, University of Lucknow, Lucknow is a non-profit organization committed to the advancement of research the areas of Mathematics, Statistics, Computer Science, Astronomy etc. It is publishing a journal GANITA (ISSN: 0046-5402) biannually since 1950 which provides an individual, an ideal opportunity to accomplish their thoughts and valuable ideas to be published in the form of a research paper. The journal GANITA is a peer reviewed journal and the papers published in the journal are reviewed by Mathematical Reviews. GANITA has now been included in MathSciNet. It is also included in the list of journals approved by UGC. The journal has now been made online.

Ever since its inception in 1950, Bharata Ganita Parisad has been holding annual conferences. Life membership of the Parisad is Rs. 2000. BGP also organizes different activities like Mathematical Lecture series, workshop etc. the details of which are given on the website [www.http://bharataganitaparisad.com](http://bharataganitaparisad.com) .

About The City Lucknow

Lucknow, the capital of Uttar Pradesh, lies in the middle of the Heritage Arc. It is well connected by trains, by air and by road. This bustling city, famed for its Nawabi era finesse and amazing food, is a unique mix of the ancient and the modern. It is home to extraordinary monuments depicting a fascinating blend of ancient, colonial and oriental architecture. Lucknow was the epicentre of the 1857 War of Independence, and much before that, it was the seat of a line of nawabs who gave the city its unique identity. Literature, cuisine, performing arts and tehzeeb put Lucknow a cut above the rest – and the world acknowledges it.

- Among the magnificent monuments are Imambara, Rumi Darwaza, Kaiserbagh Heritage Zone, Residency and Dilkusha.
- Presides these monuments there are some beautiful parks like Janeshwar Mishra Park, Ambedkar Park etc.
- Chikan embroidery and zardozi have made Lucknow a brand in global fashion.
- Kebabs and biryani are the two lip-smacking delicacies that beckon visitors again and again.

Nearby visiting place

- **Dewa Sharif**- about 25 km from Lucknow in Barabanki district.
- **Ayodya (birth place of Lord Ram)**-about 110 km from Lucknow.
- **Naimisharanya**- about 85km from Lucknow.
- **Nawabganj Bird Sanctuary**-midway on the Lucknow-Kanpur highway, with a sparkling lake and a vast green expanse.
- **Bithoor**-A small temple town on the outskirts of Kanpur, on the bank of the river Ganga.
- **KatarniaGhat**- about 200 km from Lucknow in Bahraich district,
- **Dudhwa Tiger Reserve**-about 265 km from Lucknow in Lakhimpur Kheri district bordering Nepal.

Young Scientist Award

In order to encourage young mathematicians, BGP has instituted a prize of Rs. 2000 for presenting best paper (in area of pure mathematics / applied mathematics). Following points may be noted for the papers to be considered for the prize:

1. Maximum age limit is 40 years by August 31, 2022.
2. Papers by joint authors will not be considered.
3. Only original and unpublished work will be considered.
